ANNOUNCEMENT

TO THE PUBLIC

THE ELECTRIC LIGHTING FIXTURES shown on the succeeding pages are all manufactured in our own shop by competent and experienced workmen.

The material used in their construction are only the best that we can obtain for this purpose and we have spared no expense in endeavoring to get the best results and to manufacture a lighting fixture that will last forever and be a credit to our shop as well as to enhance the beauty of the background against which it is placed.

We do not hesitate to guarantee them both as to material and workmanship and wish to impress the reader with this fact, that the buyer must be satisfied regardless of the cost to us.

WE MANUFACTURE THESE FIXTURES IN ALL DIFFERENT STYLES AND FINISHES SO THAT ANY DESIGN WHICH YOU MAY WISH OR DECORATION WHICH YOU MAY WISH TO MATCH CAN BE OBTAINED IN OUR SHOP ON SHORT NOTICE.

We further want to call your attention to the fact that we specialize in lighting fixtures for churches and any public buildings and employ artists and designers who can readily produce fixtures of design and coloring to harmonize with the interior decorations.

Regarding prices—we have figured the costs very closely and owing to the modern and up to the minute facilities of our factory and also to the large number that we manufacture we have been able to reduce the costs very considerably. We have added ONLY ONE SMALL MARGIN OF PROFIT, and all we ask is that you visit our show rooms and convince yourselves that you can do no better than to place your order with us for anything that you may need in this line.

We wish to assure you that we will appreciate any business that you may see fit to give us and will do our best to please you.

We furnish these fixtures finished or unfinished and will quote you prices in large or small quantities, installed or not installed, whichever way you may wish.

We will be pleased to have you call at our show rooms or telephone us and our representative will call and give you any information you may desire.

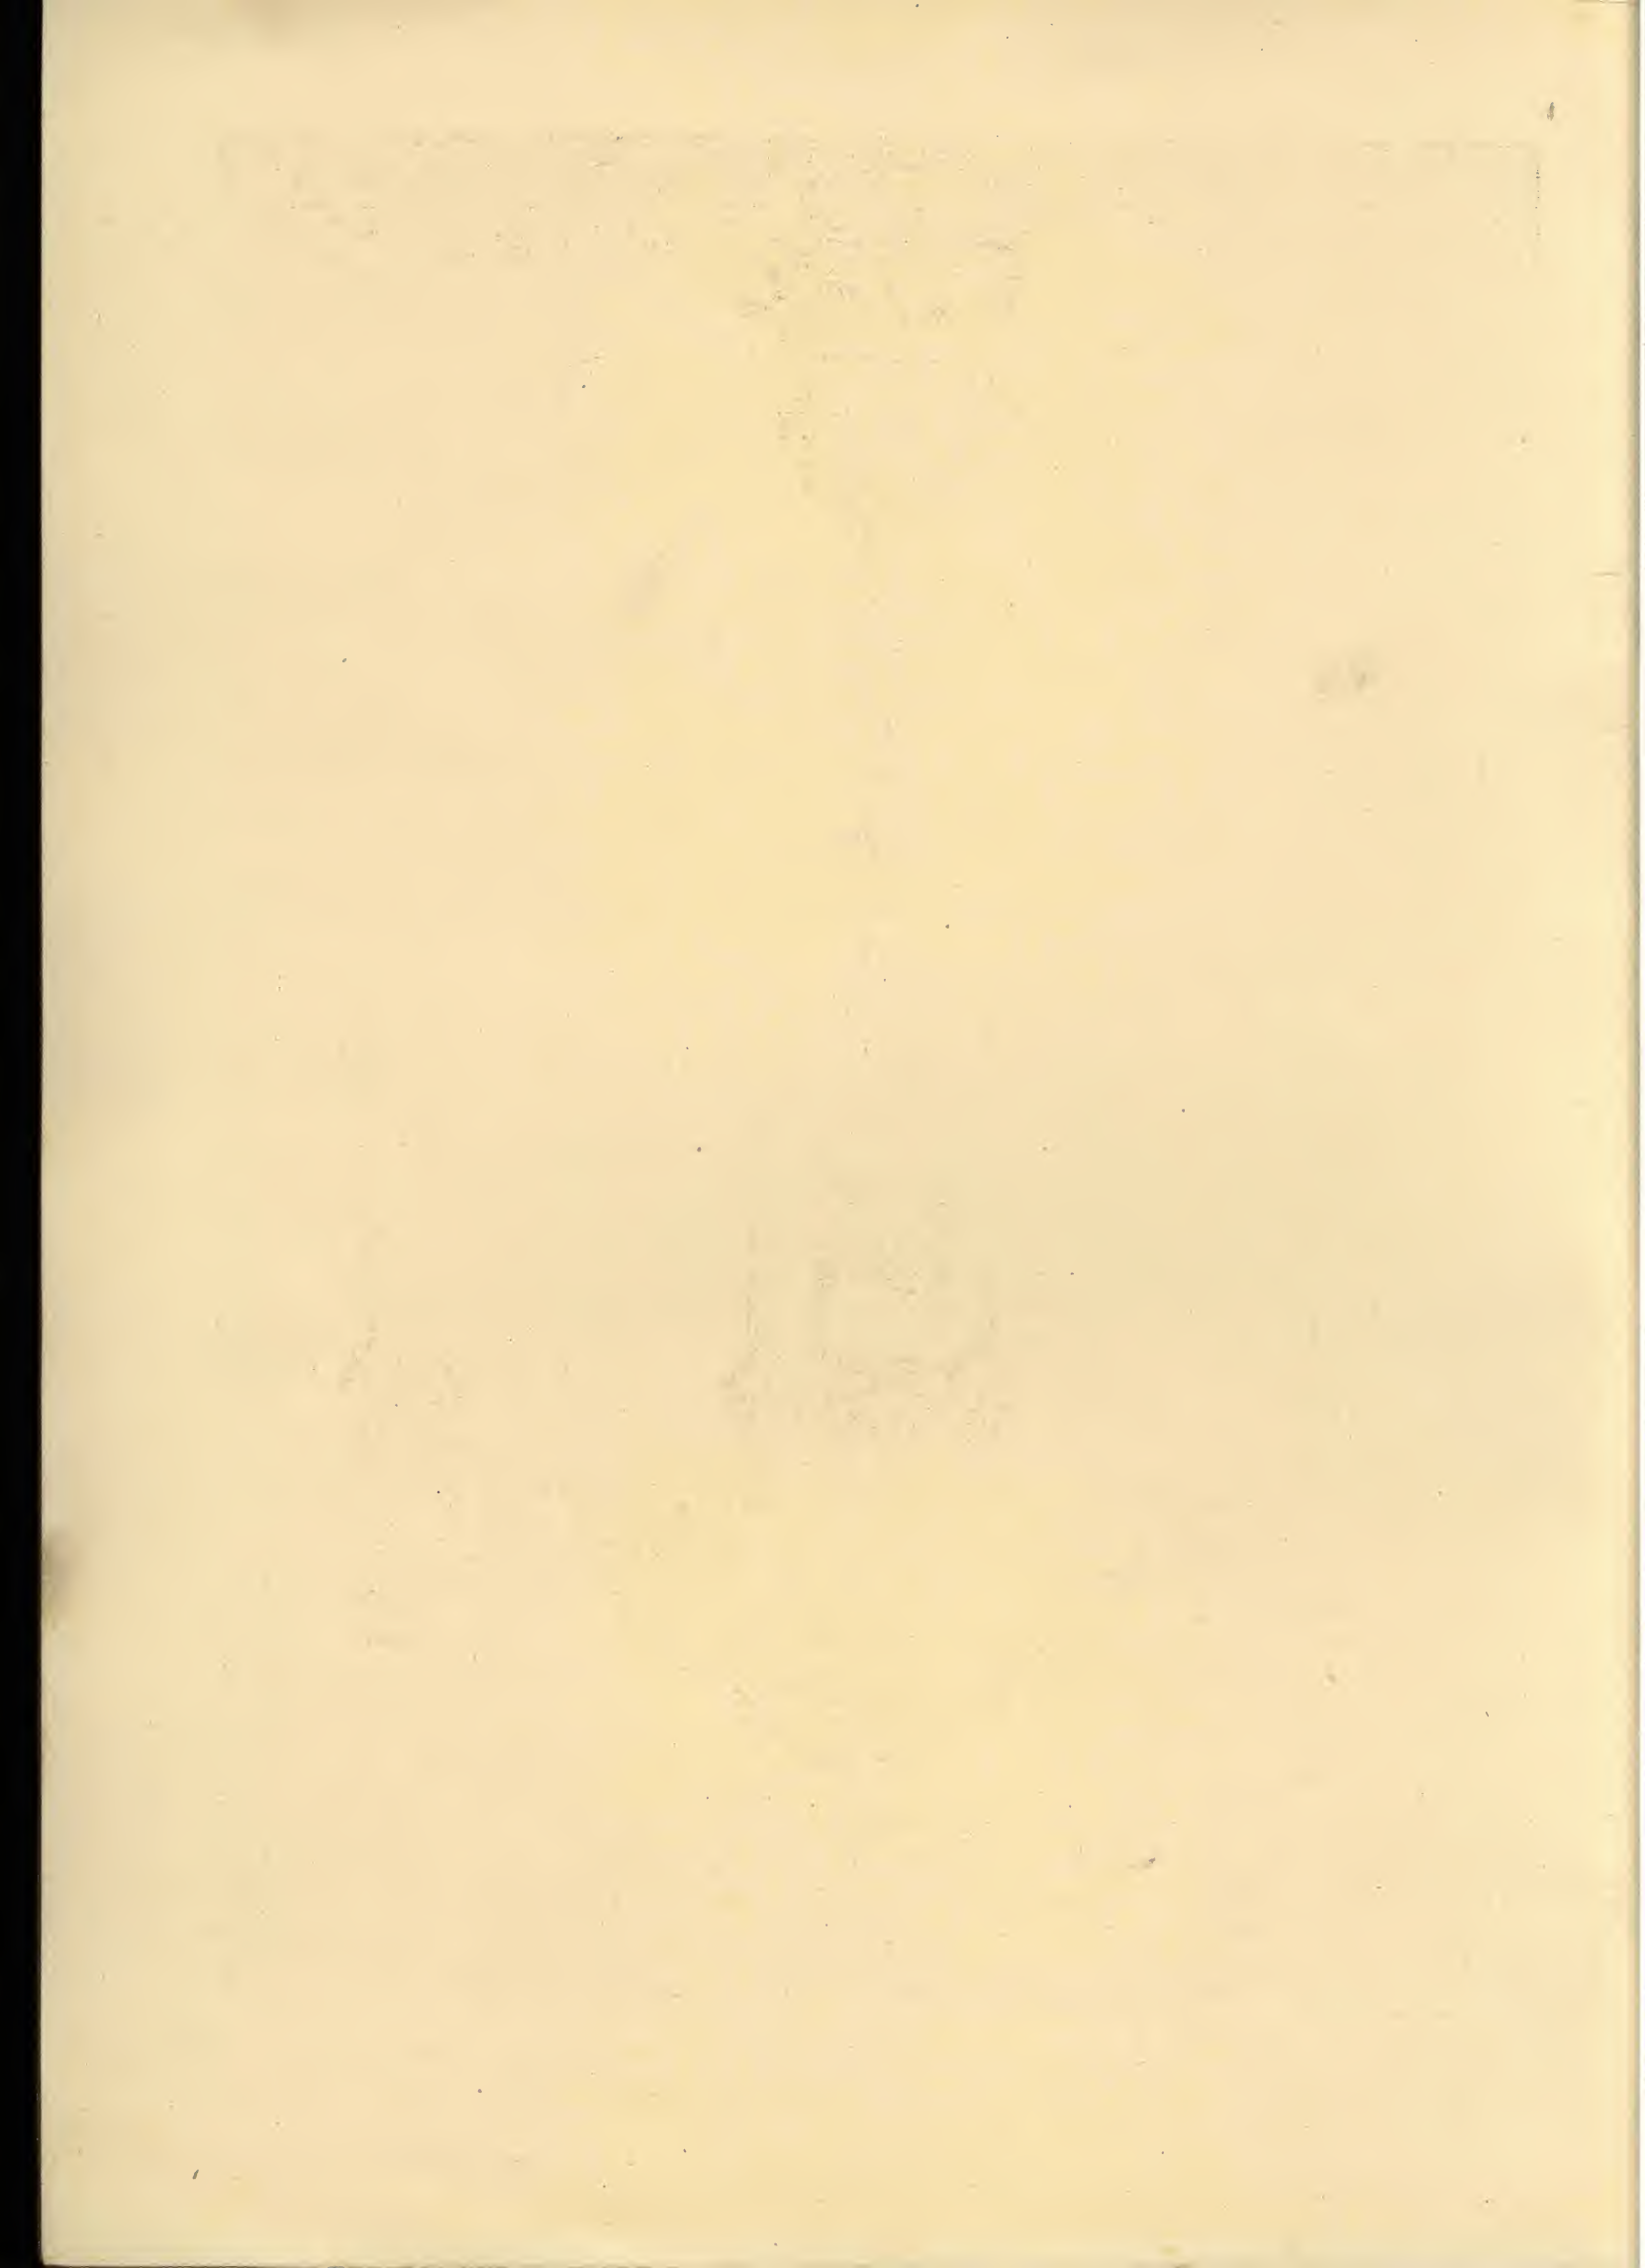

Very truly,

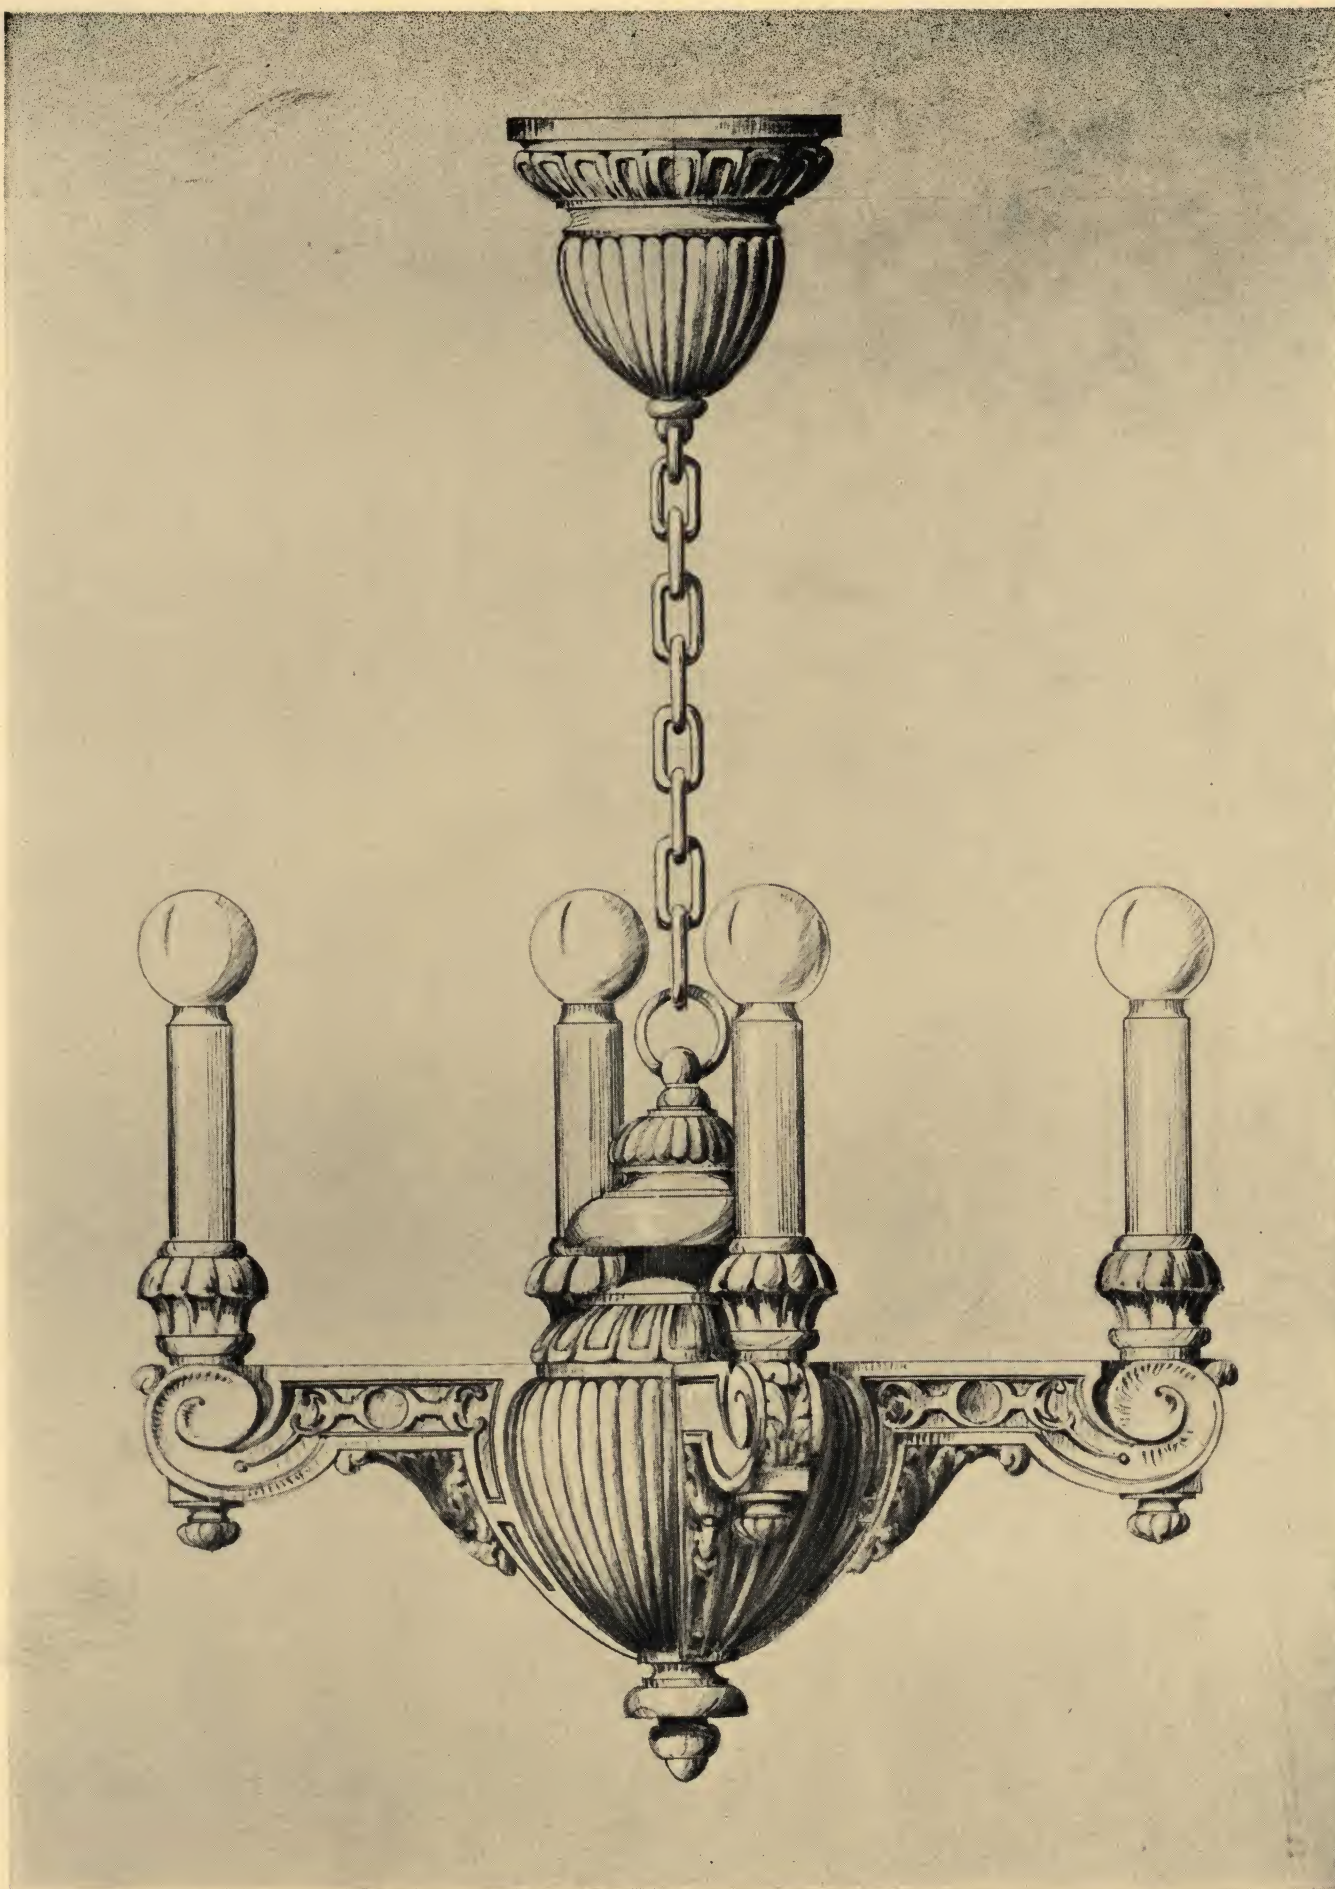

Frank Poznanski, Inc.
